MEMORANDUM FOR : Comptroller, DPD

SUBJECT : International Telephone and Telegraph
Co., Farnsworth Electronics Co., Contract
No. AF33(600)-36373, Internal No. MS-204

1. The original of Memorandum DP-5863 dated 26 November 1958 which was addressed to you acknowledged completion of the subject contract.

2. The following documents are attached to this memorandum:

- a. Original of final voucher No. 12F, Encl. #1, DP-5846
- b. Copy of Contractor's Cumulative Claim and Reconciliation
- c. Contractor's assignment of Refunds, Rebates and Credits
- d. Contractor's Release
- e. Patent and Royalty Statement, cy 1 of DPD-0307-59
- f. Audit Report - Cy 2 of DP-5846
- g. C.O. letter to IT&T, cy 3 of DPD-1110-59

3. You will note in attachment 2 g. that the Company has been instructed to ship the residual inventory to Mira Loma. As soon as the Depot acknowledges receipt of the shipment it is recommended that the final voucher be processed for payment.

4. Upon receipt of the claim for packing and shipping costs, if same appears reasonable, the Contracting Officer will approve the claim as allowable against unliquidated funds under Contract MS-204. Use of these funds for these costs was orally approved by you.

5. The contract has never been amended to reflect an agreed upon patent clause or final overhead rates. Since no patentable inventions were made under the contract and overhead rates claimed have audit approval, it is felt that issuance of an amendment would serve no useful purpose.
